§

The District Information Form for Harris County Water Control and Improvement District No. 155 is hereby amended by substituting the following for Section 3:

“3. The most recent rate of taxes on property located in the District is \$0.11 per \$100 of assessed valuation.”

The form of Notice to Purchasers required by Section 49.455 of the Texas Water Code as furnished by a seller to a purchaser of real property in the District, is amended to read as follows:

Notice to Purchaser

The real property, described below, which you are about to purchase is located in Harris County Water Control and Improvement District No. 155. The district has taxing authority separate from any other taxing authority, and may, subject to voter approval, issue an unlimited amount of bonds and levy an unlimited rate of tax in payment of such bonds. As of this date, the rate of taxes levied by the district on real property located in the district is \$0.11 on each \$100 of assessed valuation. The total amount of bonds, excluding refunding bonds and any bonds or any portion of bonds issued that are payable solely from revenues received or expected to be received under a contract with a government entity, approved by the voters and which have been or may, at this date, be issued is \$24,475,000, and the aggregate initial principal amounts of all bonds issued for one or more of the specified facilities of the district and payable in whole or in part from property taxes is \$17,435,000.

The district is located in whole or in part in the extraterritorial jurisdiction of the City of Houston. By law, a district located in the extraterritorial jurisdiction of a municipality may be annexed without the consent of the district or the voters of the district. When a district is annexed, the district is dissolved.

The purpose of this district is to provide drainage or flood control facilities and services within the district through the issuance of bonds payable in whole or in part from property taxes. The cost of these utility facilities is not included in the purchase price of your property, and these utility facilities are owned or to be owned by the district. The legal description of the property which you are acquiring is as follows:

(Note: Correct district name, tax rate, bond amount, standby fee amount, and legal description are to be placed in the appropriate space. Except for notices included as an addendum or paragraph of a purchase contract, the notice shall be executed by the seller and purchaser, as indicated. If the district does not propose to provide one or more of the specified facilities and services, the appropriate purpose may be eliminated. If the District has not yet levied taxes, a statement of the district's most recent projected rate of tax, if any, is to be placed in the appropriate space. If the district does not have approval from the commission to adopt and impose a standby fee, the second paragraph of the notice may be deleted. For the purposes of the notice form required to be given to the prospective purchaser prior to execution of a binding contract of sale and purchase, a seller and any agent, representative, or person acting on his behalf may modify the notice by substitution of the words "January 1, 20__" for the words "this date" and place the correct calendar year in the appropriate space.)"
