

WATER DISTRICT

NOTICE OF PUBLIC HEARING ON TAX RATE

The CY-CHAMP P.U.D. will hold a public hearing on a proposed tax rate for the tax year 2023 on October 19, 2023, at 10:00 a.m. at 13455 Cutten Road, Suite 1A, Houston, Harris County, Texas 77069. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.

Visit Texas.gov/PropertyTaxes to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.

- FOR** the proposal: Ron Walkoviak, Richard M. Spurlock, Shelley L. Serres, Polly M. Looper

NOTICE OF TAXPAYERS' RIGHT TO ELECTION TO REDUCE TAX RATE

If the district adopts a combined debt service, operation and maintenance, and contract tax rate that would result in the taxes on the average residence homestead increasing by more than eight percent, the qualified voters of the district by petition may require that an election be held to determine whether to reduce the operation and maintenance tax rate to the voter-approval tax rate under Section 49.23603, Water Code.

The board of directors proposes to use the tax increase to pay for the District's debt service and operating needs while maintaining sufficient reserves in its Debt Service Fund and General Fund.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.
