The District may, subject to voter approval, impose taxes and issue bonds. The District may impose an unlimited rate of tax in payment of such bonds. The current rate of the District property tax is \$1.50 on each \$100 of assessed valuation.

The total amounts of bonds payable wholly or partly from property taxes approved by voters, excluding refunding bonds that are separately approved by the voters and excluding any bonds or any portions of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity approved by the voters are:

The District is located wholly or partly in the extraterritorial jurisdiction of the City of Houston. Texas law governs the ability of a municipality to annex property in the municipality's extraterritorial jurisdiction and whether a District that is annexed by the municipality is dissolved.

The purpose of the District is to provide water, sewer, drainage, flood control, road, parks and recreational facilities and services. The cost of District facilities is not included in the purchase price of your property.
