NOTICE TO PURCHASER OF A SPECIAL TAXING OR ASSESSMENT DISTRICT

The real property, described below, which you are about to purchase is located in the Harris County Fresh Water Supply District No. 58 and may be subject to district taxes or assessments.

The District may, subject to voter approval, impose taxes and issue bonds. The District may impose an unlimited rate of tax in payment of such bonds.

The current rate of the District property tax is \$0.5454 on each \$100 of assessed valuation.

The total amounts of bonds payable wholly or partly from property taxes, as applicable, excluding refunding bonds that are separately approved by the voters are:

\$18,400,000 for water, sewer and drainage facilities.

The aggregate initial principal amounts of all such bonds issues are:

\$9,600,000 for water, sewer and drainage facilities.

The District is located wholly or partly in the extraterritorial jurisdiction of the City of Houston. Texas law governs the ability of a municipality to annex property in the municipality's extraterritorial jurisdiction of a municipality and whether a district that is annexed by the municipality is dissolved.

The purpose of the District is to provide water, sewer, drainage and flood control facilities and services. The cost of the District facilities is not included in the purchase price of your property.
