

WATER DISTRICT NOTICE OF PUBLIC HEARING ON TAX RATE

The HARRIS COUNTY M.U.D. #149 will hold a public hearing on a proposed tax rate for the tax year 2024 on October 21, 2024, at 1:30 p.m. at 1300 Post Oak Boulevard, Suite 2500, Houston, Harris County, Texas. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.

NOTICE OF TAXPAYERS' RIGHT TO ELECTION TO REDUCE TAX RATE

If the district adopts a combined debt service, operation and maintenance, and contract tax rate that would result in the taxes on the average residence homestead increasing by more than eight percent, the qualified voters of the district by petition may require that an election be held to determine whether to reduce the operation and maintenance tax rate to the voter-approval tax rate under Section 49.23603, Water Code. The total voter-approval tax rate is \$.63712, including an operation and maintenance maximum rate of \$.24212. The proposed operation and maintenance rate is \$.242.

The board of directors proposes to use the tax increase for the purpose of rehabilitation of aging infrastructure.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.
