

**HARRIS COUNTY MUNICIPAL UTILITY DISTRICT NO. 155**

Minutes of Special Meeting of Board of Directors

June 4, 2026

The Board of Directors (“Board”) of Harris County Municipal Utility District No. 155 (“District”) met on Monday, June 4, 2026, in the office at the regional sewage treatment plant located at 16610 Longenbaugh Drive, Houston, Texas, in accordance with the duly posted notice of the meeting, with a quorum of directors present, as follows:

Margaret K. Dawson, President  
Jim Denmon, Vice President  
Clint Wilhelm, Secretary  
Corey Manahan, Director  
Barbara Scott, Director

and the following absent:

None.

Also present were John Gerdes, Chase Hudson and Dylan Hosen of Texas Land Engineers, Inc.; and Amanda Buckson, President, and Cathleen (Cat) Lynch, Vice President, of Buckson Landscape Architecture.

The Board President called the meeting to order and declared it open for such business as might properly come before it.

1. Introductions were made. The Landscape Architects presented a preliminary work up of the potential use for the property for the Board members to discuss. A copy was provided to each board member and the individual items on the work up were discussed.

2. Director Manahan asked what grants would possibly be available to use for this project. Texas Parks and Wildlife and TxDOT were mentioned.

3. After some discussion of the different features of the design, Director Manahan suggested that the Board should proceed with having a survey done to determine what the community as a whole would prefer. The Board agreed with this plan and engaged Buckson Landscape Architectures to proceed with this phase of community input, by sending out a survey to residents through the MOC billing statements.

There being no further business to come before the Board, the meeting was adjourned.
